## KIDS KORNER

Do we believe that children are gifts from God? Sure we do!!! In the not too distant future, Life Choice Pregnancy Care Center will open its doors on West Third Street (across from the Logan County Detention Center). Their Mission Statement: "To save lives by providing help, hope, and healing for women, men and the unborn in Logan, Todd and Simpson Counties." You can support the Center in a very easy way by filling a "Life is a Precious Gift!" baby bottle with change, dollars or check. The initial start up runs from Mother's Day to Father's Day. Some of us have already started filling the bottles, and if you'd like to participate, see me (Konnie) to get a bottle and additional information.

Join us for VBS 2016 (June 26-July1) as we are "SUBMERGED-Finding Truth Below the Surface." Our Scripture Verse comes from Psalm 139:23-24 "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting." (KJV) It's not just a VBS Scripture, but lifelong words by which we should live. Second Baptist Church is unique in VBS as we offer it to all ages and special friends. That means there is a place for YOU! No one is too old or too young to experience VBS.

May all of you have a safe summer, and don't forget, we have Wednesday night children's groups throughout the summer.

*A good father is one of the most unsung, unpraised, unnoticed, and yet one of the most valuable assets in our society.*

Evangelist Billy Graham

When I think about Father's Day I think about my own Dad and our heavenly Father. When I was young my relationship with my Dad was different than after I grew up, got married and had a family of my own. My relationship with God is different now than it was when I was growing up. I was always taught to love God because He first loved me and I did. When I was in Seminary, I realized it wasn't about how much I loved God, where I went to Church or how often I did. It was that moment when I realized "just how much that He LOVES me." When we look at our grandchildren playing we have so much love and pride. We think to ourselves. We've got the cutest and smartest grandkids EVER. When they don't do what we tell them our love for them doesn't change. We just take the time to show them why and how it is to their benefit that they listen to our instruction. No matter what they do right or wrong our love for them never changes. We have loved them since the time that they were in their Mother's womb. Then I think about our heavenly FATHER. When I am going through my day and asking Him to give me direction in what I am doing or if I am not seeking Him for direction "He loves me just the same." I don't have to be PERFECT to receive His love, because HE LOVES ME. HE CHOSE ME. That is such a freeing realization for me. As you celebrate Father's day this month, I pray that our Heavenly Father will reveal Himself to you in such a way that you know... that you know... that you know... that you are LOVED BY HIM!

Happy Father's Day  
Pastor Michael & Terri

## Choir Loft

Here we are at the beginning of the sixth month of 2016! Let me encourage you to take advantage of some of the opportunities of service that are here at Second Baptist.

One of those areas is the Music Ministry. The Sanctuary Choir is a great place to start! If you were here back in December you can tell what this group can do if we have the voices. Rehearsals are held on Sunday evenings at 4:45pm in the Sanctuary. There is an empty folder that needs to be filled with your name. If you have a heart to serve the Lord by leading in worship, I encourage you to come and be part of an amazing family of musicians. We'd love to have you join us!

Our Technology Ministry is another area of service needing volunteers. We're always needing extra help in fulfilling our media needs. If you are a teenager or adult and maybe you have an interest in this area or would just like to sit back in the media booth one Sunday and watch what goes on. See Randy Rigsby, Tyler Davenport, or myself and we will arrange a time that you can do that. If you have the desire and are interested in helping we will provide the training you need. There is a lot to learn to become a Video and Audio Operator. But, you can learn at your own speed. There is no rush and there are different levels of need but it takes committed personnel to operate a Technology Ministry. We are very proud of our team of operators and the ministry that they do each Sunday. SBC not only reaches out to Russellville on Sunday morning with the gospel message but also around the world through the internet.

We would like to remind everyone that if you missed a service but would like to hear the Sunday morning message, log on to the church's website, go the worship archive and click on the week that you want to hear. These messages are archived by the month and can be heard at any time. "Live worship" is also available for those that cannot attend church on a given Sunday but still have access to a computer or I-phone.

Our Children's Choir is another music ministry that has been a part of Second Baptist for many years. Crystal Jones is our Children's Choir Director. We'd love to have your child or grand-children to help us. Pray about these needs and remember to keep Christ the center of all you do in 2016. May this year continue to be filled with joy and blessings that come straight from our Heavenly Father.

Under the Master's Baton,  
Bro. Mike Duncan
